While the 50 class members may not work in the same industries, the leaders share the following attributes:

- > Significant **ACHIEVEMENT** in career or community
- > An **INTEREST** in enhancing personal leadership capabilities
- > High standards of **PERSONAL INTEGRITY**

Engage class members aspire to improve our region because they have deepened their civic commitment and awareness of diverse issues and industries. Through the connections, education, and interests developed by our county's most promising leaders, LPBC creates a lasting impact in our community.

Leadership Palm Beach County (LPBC) is a nonprofit organization that brings together leaders from the public, private and nonprofit sectors to build and steward a vibrant, interconnected community.

Since 1983, our unique programs have prepared more than 2,000 adult and youth leaders for a lifetime commitment to doing public good in Palm Beach County.

LPBC's Engage Program is based on an interactive, 10-month curriculum that provides leadership capacity-building skills, framed around countywide issues. Participants meet for one day each month, from September to May and explore program topics such as agriculture, public safety and healthcare. In addition, each participant will take part in an Engage Forward project that will solve a challenge in our community while learning to collaborate in a group dynamic with fellow classmates and other leaders. For more information about the Engage Forward Projects, please review the request for proposal, specifically pages 2-3, on the LPBC Web site: <http://www.leadershippbc.org/engage-forward>.

Class of 2022 Application Deadline: April 26, 2021.
