

Leadership » FOCUS

Sponsorship Opportunities

Focus is a 2 ½ day program for executives and professionals who want to broaden their understanding of our community, connect with people of influence and explore Palm Beach County's strengths, challenges and initiatives. Often, people who go through this program plan to go through the full Leadership Engage program or offer the opportunity to an employee.

Participants explore topics such as agriculture, arts & culture, business, civics & government, education, environment, health & human services, media & public safety. This program is packed with opportunities for learning, networking and sponsoring. Breakfast and lunch will be provided the two full days, and there will be a reception at the end of each session day.

Scheduled Dates

Wednesday, January 20, 1pm - 6pm

Thursday, January 21, 7:30am - 5:30pm

Tuesday, January 26, 7:30am - 5:30pm
